

Azizi is a beautifully designed safari home nestled on the Naretoi plains, with sweeping views of Kileleoni Hill—just five minutes from House in the Wild. Regular visits from giraffe and zebra bring the landscape to life, while the house itself offers comfort and style in equal measure. The home features a private pool, spacious living areas, and a fully equipped modern kitchen. It accommodates up to 10 guests with three en-suite king bedrooms (one in the main house and two in the guest cottage), plus two additional bedrooms in the main house that share a bathroom. Outdoor spaces are designed for connection and relaxation, with a large veranda for al fresco dining, a firepit by the pool, and a barbecue area—all with spectacular views of the plains stretching out to the Kileleoni Hill. Guests are looked after by dedicated Wild Collection staff to ensure a seamless and memorable stay.

The Collection in the Wild is a group of family owned properties offering utterly unique experiences in Kenya. Grown through an inspiring story of hope, growth and progress, from re-wilding farmland to thriving conservation.
