# Wild Helis at a glance

Take to the skies for the ultimate perspective on the Wild. Choose from one of our curated helicopter adventures below, or speak to our team about a bespoke helicopter charter flight, tailored to your wishes.

Available from any of the Collection in the Wild properties in the Maasai Mara.

Fly in a 3- or 4-passenger helicopter with a highly experienced pilot-guide, soaring over the Great Migration herds, soaking up an unforgettable sundowner view on a private hilltop, or venturing further afield to Lake Magadi.

All scenic flights are doors-off for maximum viewing possibilities.

For every helicopter flight booked we will donate 10 indigenous tree saplings to the Women in the Wild project, planted in the riverside arboretum or Emarti schools, to offset the carbon impact. Guests are welcome to take part in planting these trees if they wish.

## MARA SCENIC FLIGHTS

What better perspective over the landscapes and wildlife of the Masai Mara ecosystem than a doors-off helicopter flight? An unforgettable adventure which creates lifelong memories. Flight time is 45 minutes but do enquire about costs for extended flight options if you wish.

## HELI HOP, MAIN RESERVE DRIVE & PICNIC

Meet your Collection in the Wild guide and vehicle in the main Mara National Reserve for a game drive, arriving and departing by helicopter. The ultimate way to maximise your wildlife-viewing time, particularly when the Great Migration herds are in the reserve. (This trip is possible year-round, exploring the other landscapes and wildlife of the main reserve outside of migration season.)

Fly from Collection in the Wild by helicopter on this short hop of approximately 15 minutes to an airstrip where your guide awaits you to set off on a game drive, stopping during the heat of the day for a picnic lunch under a tree. After a half day drive, you'll return to the airstrip where the helicopter awaits you, to be whisked back to your lodge in style.

Depart your lodge after breakfast, returning in the mid afternoon.

## ULTIMATE HILLTOP SUNDOWNER BY HELI

Soar over the Masai Mara conservancies, cruising over the Mara River and along the Olololo Escarpment to reach an exclusive hilltop site in the Mara Triangle. You'll land and stretch your legs, while your pilot-guide sets up comfortable chairs and sundowners and delicious snacks. The views from this spot are truly breath-taking - rolling plains dotted with flat-topped hills, stretching from the Mara into Tanzania's Serengeti.

During the migration season, the thousand-strong herds often spread all around the plains below the hill, making for some extra magic! As the sun hits the horizon, hop back in the heli, flying to the lodge in the glow of the sunset, in time to freshen up for dinner.

Depart in the mid/late afternoon, total experience duration: 2 - 2 ½ hrs.

## LAKE MAGADI & LOITA FOREST EXPLORATION

Explore beyond the reaches of the Masai Mara and out to the rugged landscapes of Lake Magadi. Departing at dawn, you'll have beautiful picnic breakfast on a deserted soda-lake island, fly over waterfalls and the Loita Forest and enjoy a clifftop landing overlooking the South Rift. Seasonally you may fly over flocks of flamingos on the lake, or visit traditional herders' wells, or stop off at the dramatic triple waterfalls. Your pilot will plan the route to suit the season and give you the best experience possible.

Depart at first light, returning back to your lodge for a late lunch.
