

WILD LAMU | JAHAZI | FACT SHEET

Wild Lamu | Jahazi House is a newly renovated six-bedroom beachfront sanctuary on the quiet shores of Kizingoni Beach, reopened as part of Collection in the Wild. Built in the exquisite traditions of Lamu architecture, the house blends elegance with soul, offering a tranquil inner courtyard pool, a sweeping oceanfront pool, a breezy rooftop deck for sunset rituals, and a private pickleball court. Designed for families and friends seeking privacy, beauty, and stillness, Jahazi House is the perfect beach-and-bush complement to a safari —where barefoot luxury meets purpose, and every stay supports local conservation through community-led partnerships across the archipelago.

The Collection in the Wild is a group of family owned properties offering utterly unique experiences in Kenya. Grown through an inspiring story of hope, growth and progress, from re-wilding farmland to thriving conservation.

WE ARE COMMITTED TO 3 PROMISES:

IMPROVING
LIVELIHOODS

Wild Lamu offers a seamless bush-and-beach journey: time to unwind on the coast after safari, without ever leaving our values behind. Created with the same care, design and heartfelt hosting as our Mara homes, it invites you to slow down, breathe out, and experience the ocean in your own space. Days unfold at your rhythm—shared meals, quiet swims, dhow journeys and long sunsets—within a house that feels both beautiful and deeply personal. Through conscious travel, Wild Lamu seeks to support marine conservation and work alongside local communities, bringing our purpose gently to the coast.
