Wild Tsavo
at a glance

Wild Tsavo is a five-bedroom riverside villa set on the banks of the Galana River, within a private wildlife sanctuary. Built in a warm Moroccan style that rises organically from the red earth, the house reflects a deep love for the African bush, thoughtful design, and strong family values. Framed by ancient baobabs and raw wilderness, it offers effortless indoor–outdoor living, with an expansive swimming pool, sweeping verandahs, tranquil chill-out spaces and an upstairs sundowner deck overlooking the river.

A secluded spa tent invites true rest, while long walks, wildlife encounters and wide-open landscapes reveal a different kind of safari—quiet, elemental and entirely your own. With its own airstrip, private conservancy to explore, an animal-viewing platform for nights under the stars, and optional helicopter adventures to the Kiva River, Wild Tsavo is a soulful retreat. Created by close family friends with great love and care for family and wildlife, whose legacy lives on in this extraordinary place, we are honoured to share this rare and deeply special home with our guests. It is a beautiful add-on to a Mara safari or a seamless stop on the journey to Lamu.
